NARRATIVE SECTION

Describe the facts and information relied upon to conclude that there was reasonable suspicion that the person stopped had committed, was committing or was about to commit a felony or Penal Law misdemeanor (i.e. - expand on the check boxes used on the front of the Stop Report). For example, detail information from victims / witnesses, identified 9-1-1 callers, actions of the suspect, the suspect's physical and temporal proximity to the scene of a crime, the suspect's resemblance to a particular suspect description, etc. This space should also be used to describe the circumstances that led to a frisk and / or search (i.e. - describe the facts and information that led you to conclude that a particular person was armed and dangerous). Describe the basis for any search, the specific area searched, and whether a weapon or contraband was recovered.
